John Burroughs

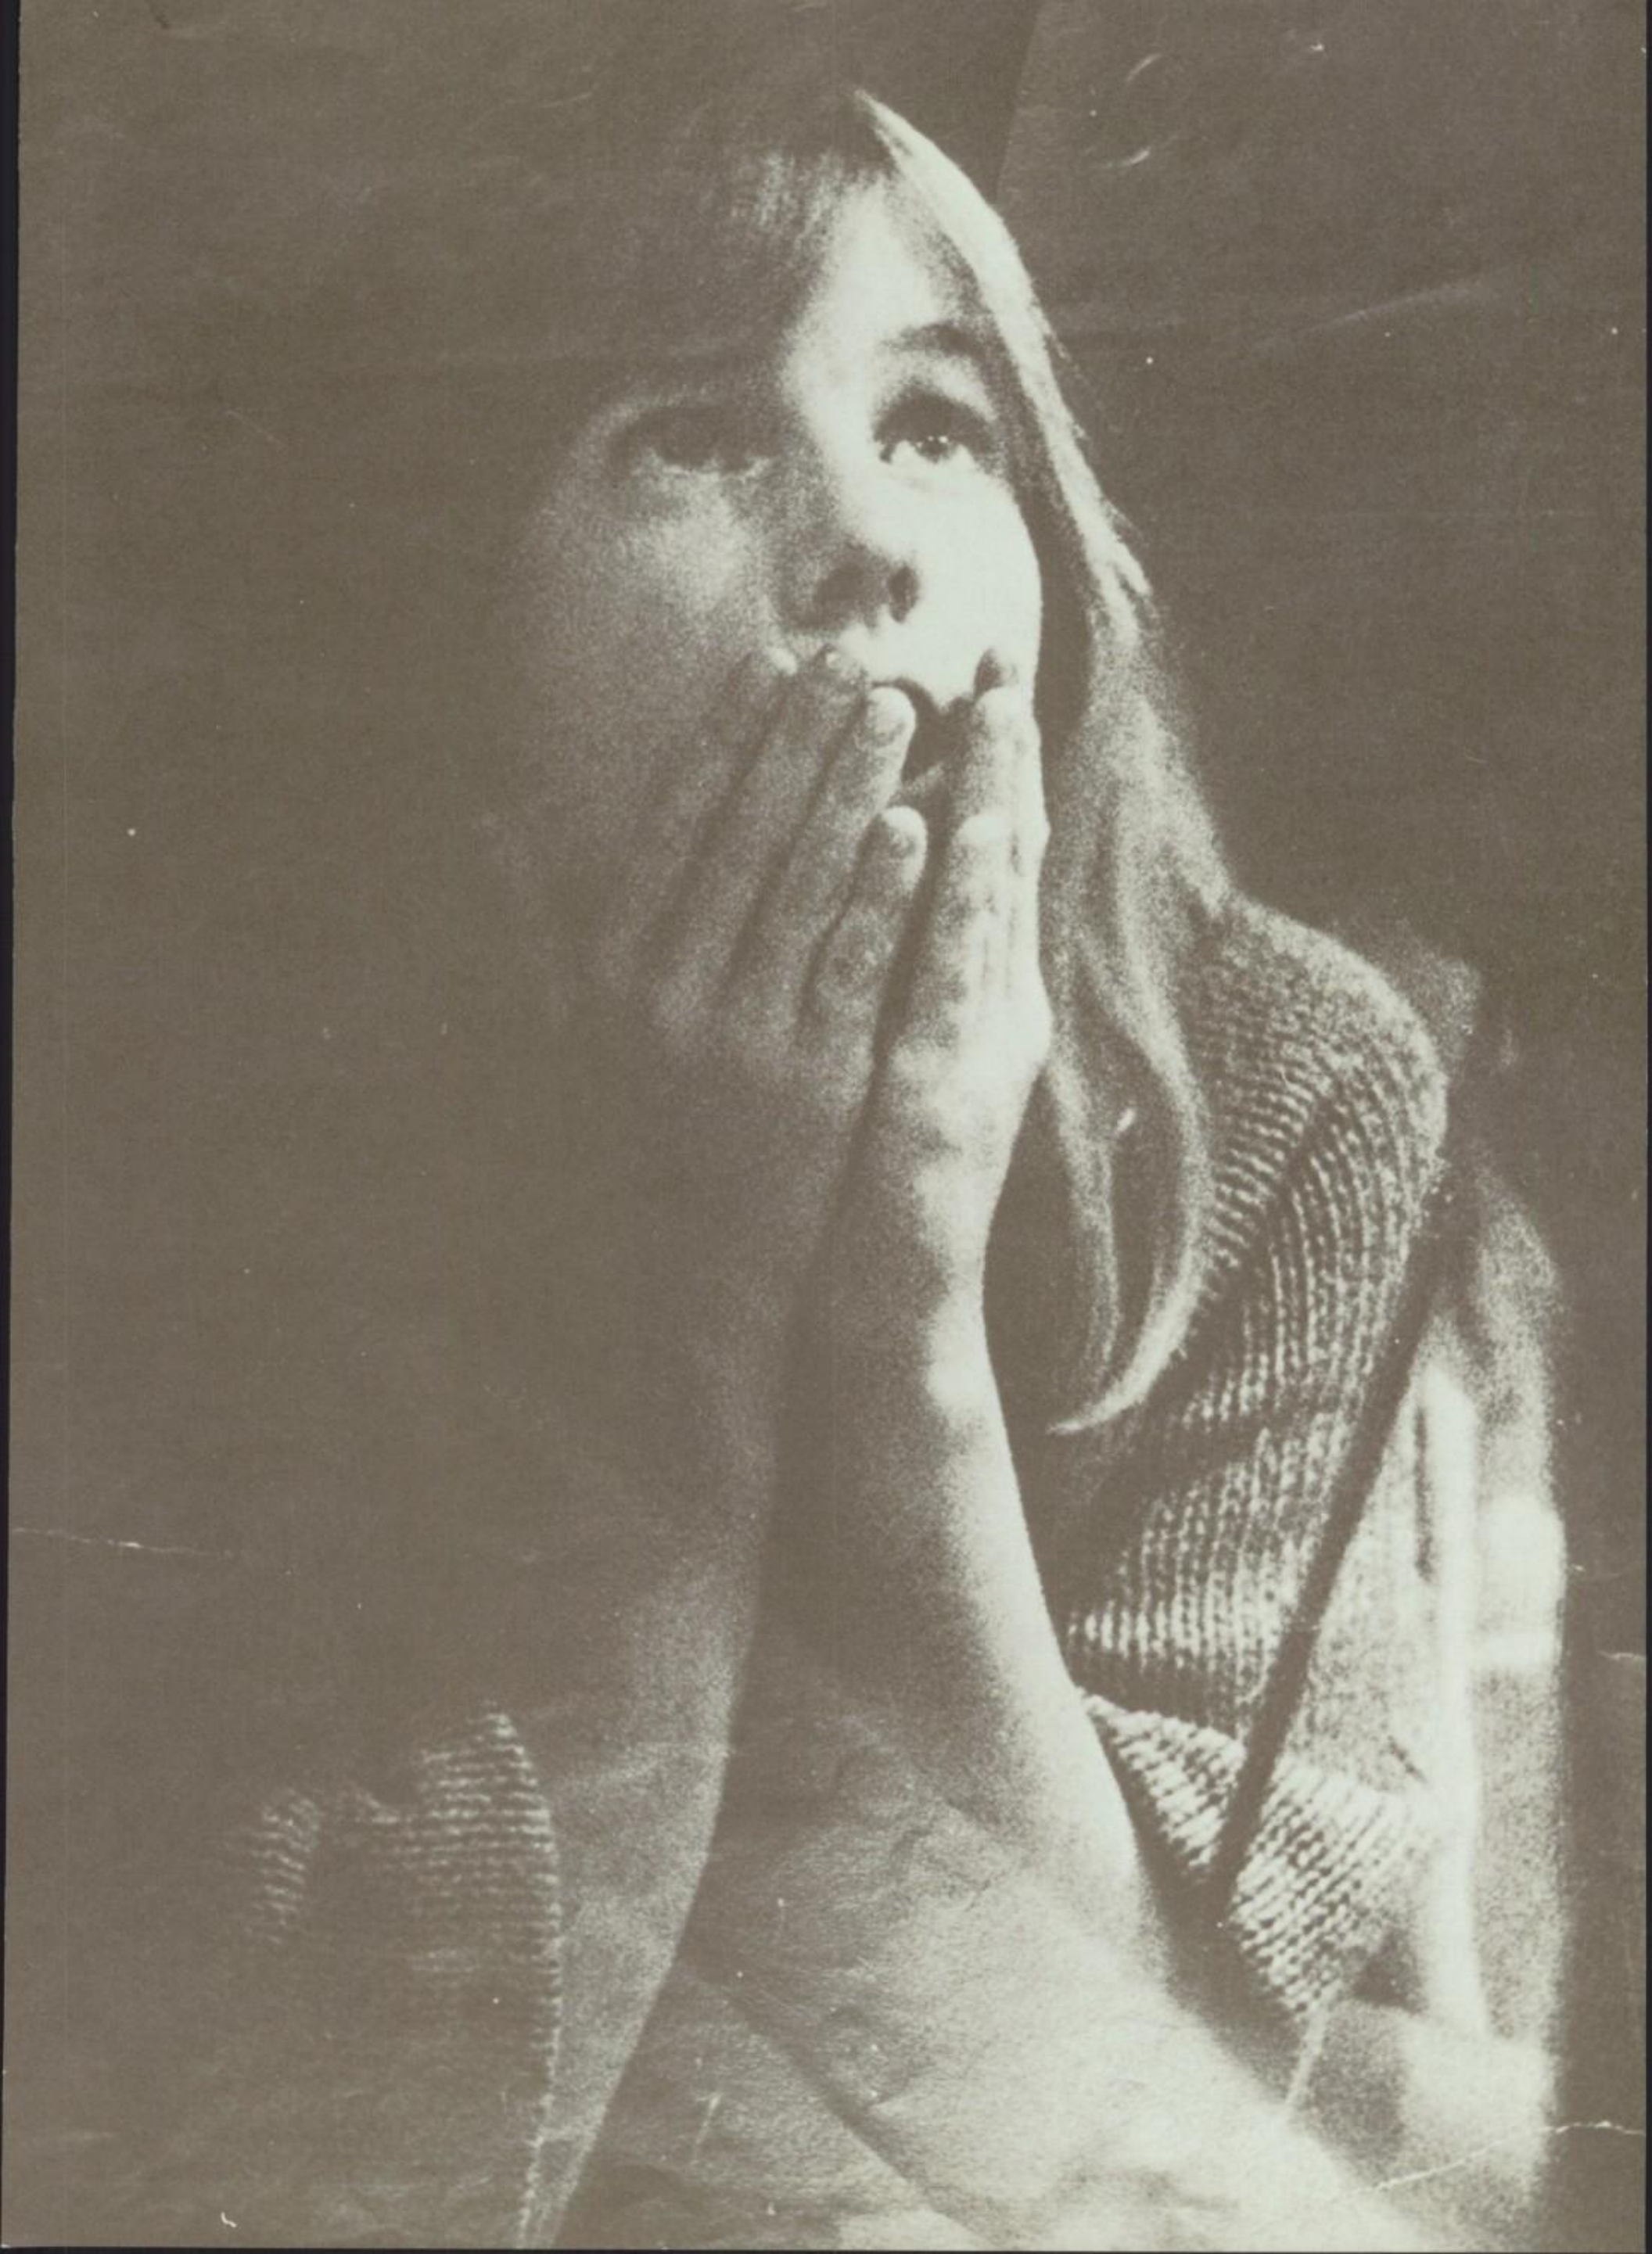
Crying, smiling, laughing, sharing, caring, are a few of the unscheduled activities which fill our days at J.B.S. They are what make us a person and an individual.

Keep in mind that Burroughs has a goal for its students, other than preparation for high education: that of developing individual character and emotional maturity. The theme of this year's book, therefore, is the emotional growth of our lives.

Learning how to express our emotions and feeling free to express them is a vital part of living fully. We want to recognize this side of our lives; no academic achievement can be of any use to us in the future if we haven't learned how to open up to ourselves and to each other.



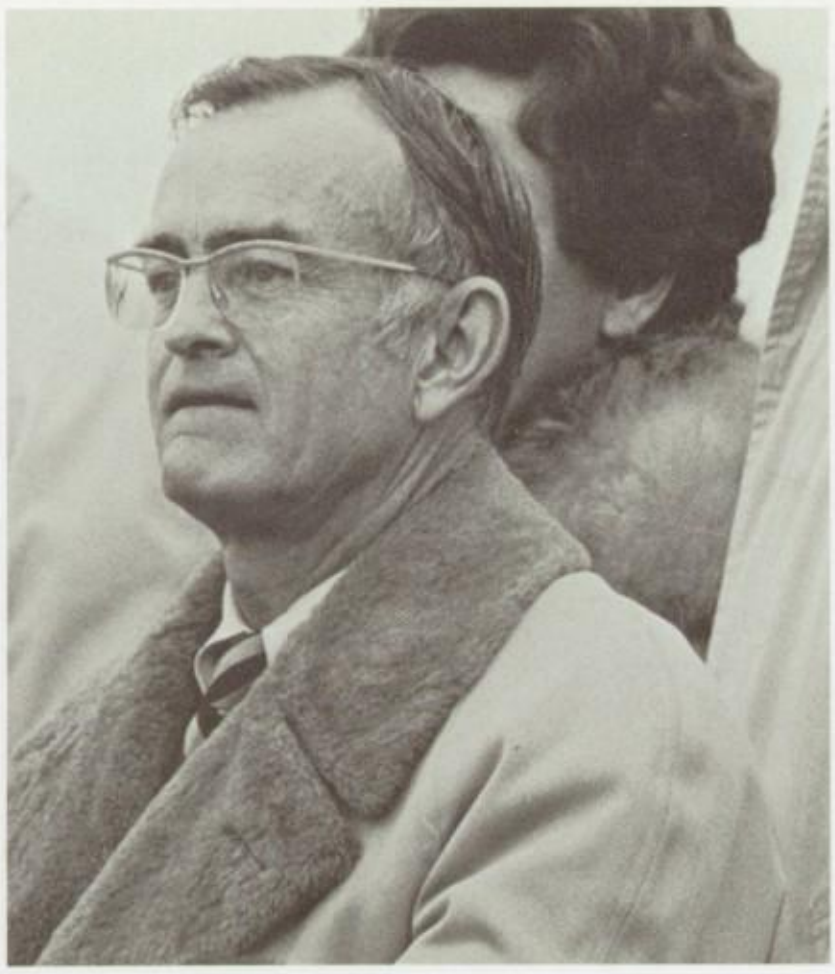
In recognition of James Stevens

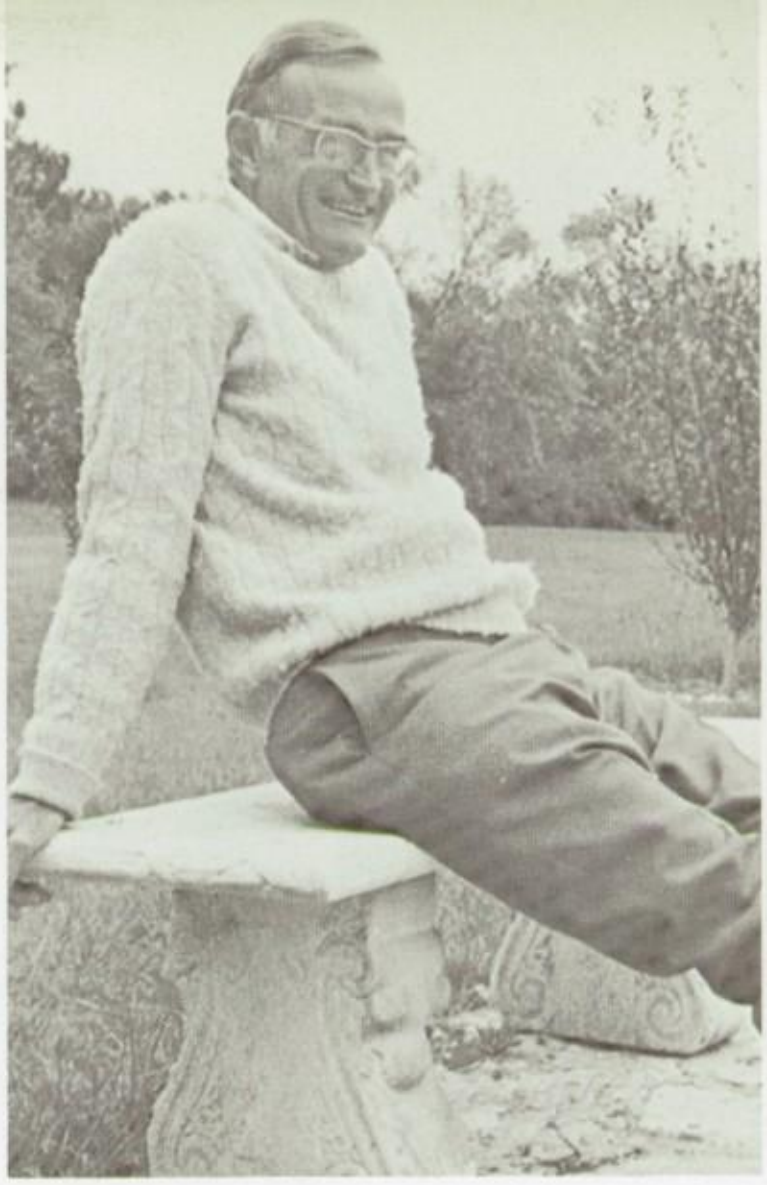
Any student who has been blessed by the study of chemistry or has eaten dirt on the football field and survived, will always remember Mr. Stevens. No one will ever forget his grueling multiple-guess tests or his discertations on rocks and minerals. For the past 10 years, his teaching ability and leadership have endeared him to the Burroughs Community.

Often during his classes which are conducted in a relaxed but challenging atmosphere, Mr. Stevens will introduce outside information which pertains (most of the time) to chemistry. Because of his recent interests in rock hounding (or leverite collecting), Mr. Stevens has been able to present many fascinating travelogs on the western portions of the United States.

The experience of playing on Mr. Steven's B football team is one that cannot be repeated. His coaching removes the grudgery and grind of practice and replaces it with desire and fortitude. A "B" teamer never doubts on Friday night that he will win on Saturday. This spirit and perseverance has led the Bulldogs to five unprecedented ABC League Championships. Each year Papa Bear has to remove something from his trophy shelf to make room for his latest award.

Mr. Stevens is a respected educator and a successful coach but more important; he is a sincere friend. Passersby will almost always see a student seated in his office talking about chemistry, game plans or almost anything. Mr. Stevens leaves a lasting imprint of respect and leadership for all those who have met him.





Dear Mr. Cissel,

You have helped us in many ways during our six years at Burroughs, and your support has come to us in so many ways that it is difficult to single out any one thing to say "thank you" for. We will remember you for the rest of our lives, and again it's difficult to define what will st-and out in our memories of you.

If asked on some future day, most of us would describe you as one who really cared for us. Your honesty with the students made that so apparent to many of us, and the warmth in your greetings in the hall demonstrated it to many others.

In this letter, our last to you, we want to say "thank you" for so many things. But most of all, we want to thank you for caring!

"Sail forth-steer for the deep waters only
Reckless O soul, exploring, I with thee, and thou with me,
For we are bound where mariner has not yet dared to go,
And we will risk the ship, ourselves and all.

O my brave soul!
O farther farther sail!
O daring joy but safe! are they not all the seas of God?
O farther, farther, farther sail!"

"Angel from Montgomery"
I am an old woman
Named after my mother
My old man's another
child that's grown old.
If dreams were thunder
and lightning desire
This old house would have burnt down
a long time ago.

Make me an angel that flies from Montgomery
Make me a poster of an old rodeo
Just give me one thing that I can hold on to
To believe in this livin' is just a hard way to go

When I was a young girl
Well, I had me a cowboy
He weren't much to look at
Just a free ramblin' man
But that was a long time
and no matter how I try
those years just flow by
like a broken down van

Make me an angel that flies from Montgomery
Make me a poster of an old rodeo
Just give me one thing that I can hold on to
To believe in this livin' is a hard way to go

There's flies in the kitchen
I canhere them There buzzin'
And I ain't done nothin'
Since I woke up today
How the hell can a person
go to work in the morning
and come home in the evening
and have nothing to say

Make me an angel that flies from Montgomery
Make me a poster of an old rodeo
Just give me one thing that I can hold on to
To believe in this livin' is just a hard way to go

Walk along the river sweet lullaby
They just keep on flowing
They don't worry 'bout where it's going
Don't fly Mr. Bluebird I'm just walking down the road
Early morning sunshine tell me all I need to know
You're my Blue Sky You're my sunny day
Lord you know it makes me high when you turn your love my way
Turn your love my way
Good old Sunday morning bells are ringing everywhere
Going to Carolina it won't be long till I'll be there
You're my Blue Sky you're my sunny day
Lord you know it makes me high when you turn your love my way
Turn your love my way.

"Writing is not necessarily something to be ashamed of — but do it in private and wash your hands afterwards."
Robert A. Heinlein

Keep me from going to sleep too soon
Or if I go to sleep too soon
Come wake me up. Come any hour
Of night. Come whistling up the road.
Stomp on the porch. Bang on the door.
Make me get out of bed and come
And let you in and light a light.
Tell me the northern lights are on
And make me look. Or tell me clouds
Are doing something to the moon
They never did before, and show me.
See that I see. Talk to me till
I'm half as wide awake as you
And start to dress wondering why
I ever went to bed at all.
Tellme walking is superb.
Not only tell me but persuade me.
You know I'm not too hard persuaded.
— Robert Francis

Lisa Klare O'Keefe

The promise of tomorrow means nothing without the hope of today.

The Song of Living
Flowers bloomed this morning
Birds sang to welcome the sun
Pausing to watch the sun rise
Morning and I become one

Looking up over the clouds
Seeing the blue sky once more
Found myself in wonder
at things never seen before
and the morning came today
Bright shiny, new
With promise of beginnings
And things I might do.
Passed through the day
Hours tumbled into twilight
Took some time to watch
Day become one with night.
Moon slowly rising above
Stars gently come to the sky
Breathless and hushed all around me
Silent — the night and I.
Nighttime falls again
Day has slowly gone
Yet the song of living
Will go on and on.

If you do not understand my silence, you will not understand my words.

To the Senior Class
and all the students at John Burroughs:

Eventhough this year is not over yet, I will thank all of you very much for giving me such a great time here in St. Louis. My english is not good enough yet to express my real feeling; so all I can say is thank you so much for everything.

I would especially like to thank my class, who made it possible for me to come here. At first I did not even know that all of you worked to earn the money necessary for an expensive person as I am. This was only the first thing you did. You also accepted me as one of you, which made me feel right at home. I have not been homesick yet; that shows that you did the right things with me.

When I go home to Germany I will always remember you and my year in St. Louis, the best year of my life. I did so many things that I've never done before.

Soon I will miss all of you so much. But the least I can offer you is, whenever you come to Europe make a trip to my town and visit me. You must promise me that. My family is looking forward to have you to our house. As far as I know we will have an American exchange student at our house. So, come sometime please!

In everlasting memory, your grateful,
Michael Siebold

The best part of lying in bed at night is after the hall light is turned off and your mind starts its dizzy circles that precede sleep. You can open your eyes and see your room in the absence of light. Shades of white, muted black, harmoniously create new shapes. The unshaded windows suddenly brilliant, excite complements on the opposite wall. Everything assumes a soft granular quality, like an underdeveloped photograph.

"Well," said the boy, "in my family everyone is born in the air, with head at exactly the height it's going to be when he's an adult, and then we all grow toward the ground. When we're fully grown up or, as you can see, grown down, our feet finally touch. Of course, there are a few of us whose feet never really reach the ground no matter how old we get, but I suppose it's the same in every family." (Milo) "In my family we all start on the ground and grow up, and we never know how far until we actually get there."

"What a silly system. "The boy laughed. "Then your head keeps changing its height and you always see things in a different way? Why, when you're fifteen things won't look at all the way they did when you were ten, and at twenty every will change again." From Norton Juster's **The Phantom Tollbooth**

Those who profess to favor freedom, and yet depreciate agitation, are men who want crops without plowing up the ground. They want rain without thunder and lightning. They want the ocean without the awful roar of its waters. This struggle may be a moral one; or it may be a physical one; or it may be both moral and physical; but it must be a struggle. Power concedes nothing without a demand. It never did and it never will. Find out just what people will submit to. And you have found out the exact amount of injustice and wrong which will be imposed upon time; and these will continue until they are resisted with either words or blows, or with both. The limits of tyrants are prescribed by the endurance of those whom they oppress . . .

How does it feel when life doesn't seem real
And you're floating about on your own
Your life seems uncertain, as you draw the curtain,
Pretending there's nobody home
Don't theorize
Look in your eyes
They can't tell lies
Though you disguise what you see the mirror is free
We once had a savior but by our behavior
The one that was worth it is gone
Song birds are talking and runners are walking
A prodigal son's coming home
Don't theorize
Look in his eyes
They won't tell lies
But if he defies what you see he'll give you a key
Be yourself . . .
We needed a tutor so built a computor
And programed ourselves not to see
The truth and the lying, the dead and the dying
A silent majority
Don't theorize
Look in their eyes
Are they telling lies
The ones that they learn on T.V.
What a way to be free
Be yourself . . .
Then you can free yourself . . .
See yourself
Then you can see yourself
Come on and see yourself.
— Graham Nash

The diary of the: magnificent, wonderful, great enthusiastic, compatible, good looking, supeb, class of nineteen seventy five

Seventh Grade:
big-little brother-sister party at Beth Fisher's ... Maune's party ... hayride — one wagon hit a tree ... majority of the class came from Community ... lost Leiweike mid year ... astronomy night — Eddie Albert and water fight in the science basement ... roller skating party ... idolized anonyous members of the 8th grade class ... and once a week it was "OH BOY JELLO!!!!!" ... established a "good" reputation.

Eighth Grade:
class trips to S.I.U ... float trips ... focus on C.D.S. boys ... Hobler's treasure hunt ... "Cliques" ... lost Herron, Daniels, Stix ... gained George, Ringer, Rayford, Ballinger, and D. Stradal ... Disunia in the lunch room ... soccer and rugby popular pastimes ... still had our "good" reputation.

Ninth Grade:
Dreyland — truth or dare, cabin raids and late night tug of war ... feeble class parties — all at school, games and a movie ... bad habits began ... romances began ... first class to get free periods — surprised? ... snobby 8 ... 4 members went to Pembroke ... lost Desmond, H. Gates, Daleela, Kari, Rayford, Ringer, Siteman gained Dobbs, Gamble, R. Johnson, Lowe, Luehrman, Noonan, and Voorhees ... sophomores notice freshman girls ... we kept up our "reputation."

Tenth Grade:
S.I.U. — class trips, but some unknown people didn't go ... square dance, box dinners, and Ginny's pork chop sandwiches ... still had a "Good" reputation ... lost Mueser, Bunce, Denkinger, Hollander, W. Johnson, McAfee, Riddle, Haimo ... gained Burslem, Haskins Mack, Schoenberg, Welsh ... we caught on about switching lunch tables ... we all become new drivers — watch out!!

Eleventh Grade:
helluva prom — Gatsby prom, Maritz's, after prom at Beev's ... panicked money making projects —mums, carwash (a few of us got wet that day) ... uncalled for college pressure ... lost Black, Mack. Noonan, M. Wright, Orwig & Gaebe mid year ... gained Bussman, Haimo (again), vonKaenel, Wilkens ... still had our "good" reputation ... "The Bald Soprano" was a smashing success ... gain the lounge in mid May.

Twelfth Grade:
we finally made it ... called for college pressure ... got Siebold from Germany ... sent Loeb, Schoenberg, Hershey, Heitman, and von Gontard abroad ... O'Keefe, Dobbs, and Haimo go to college ... gain Flanigan ... lost no one ... seniors find unity ... spring fever in Nov ... Ross's party ...it's our prom this time ... amazingly smart class — 33 semi-finalists and accomadations ... athletic ability increases ... solos — by Wiegand, Keller, Mary's Lullaby — Graham ... Rainey and Knight are Mary and Joseph ... bumping in the senior lounge ... inflation causes gambeling ... spirit week ... great Halloween — J. Martin harasses Mr. Sortland during assembly ... "12 Days Of Christmas" ... looking forward to graduation ... "OH BABY YOU AIN'T SEEN **NOTHIN** YET!!!"

If you don't know the kind of person I am
and I don't know the kind of person you are
a pattern that others made may prevail in the world
and following the wrong God home we may miss our star.

For there is many a small betrayal in the mind,
a shrug that lets the fragile sequence break
sending with shouts the horrible errors of childhood
storming out to play through the broken dyke.

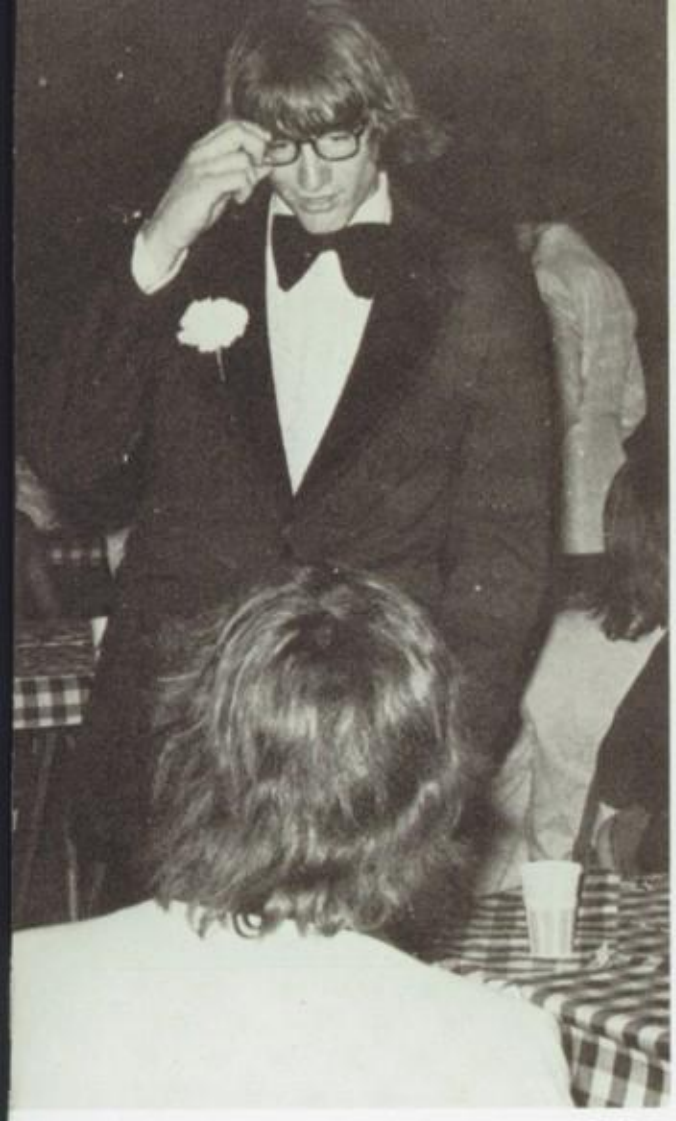
And as elephants parade holding each elephant's tail,
but if one wanders the circus won't find the park.
I call it cruel, and maybe the root of all cruelty,
to know what occurs but not recognize the fact.

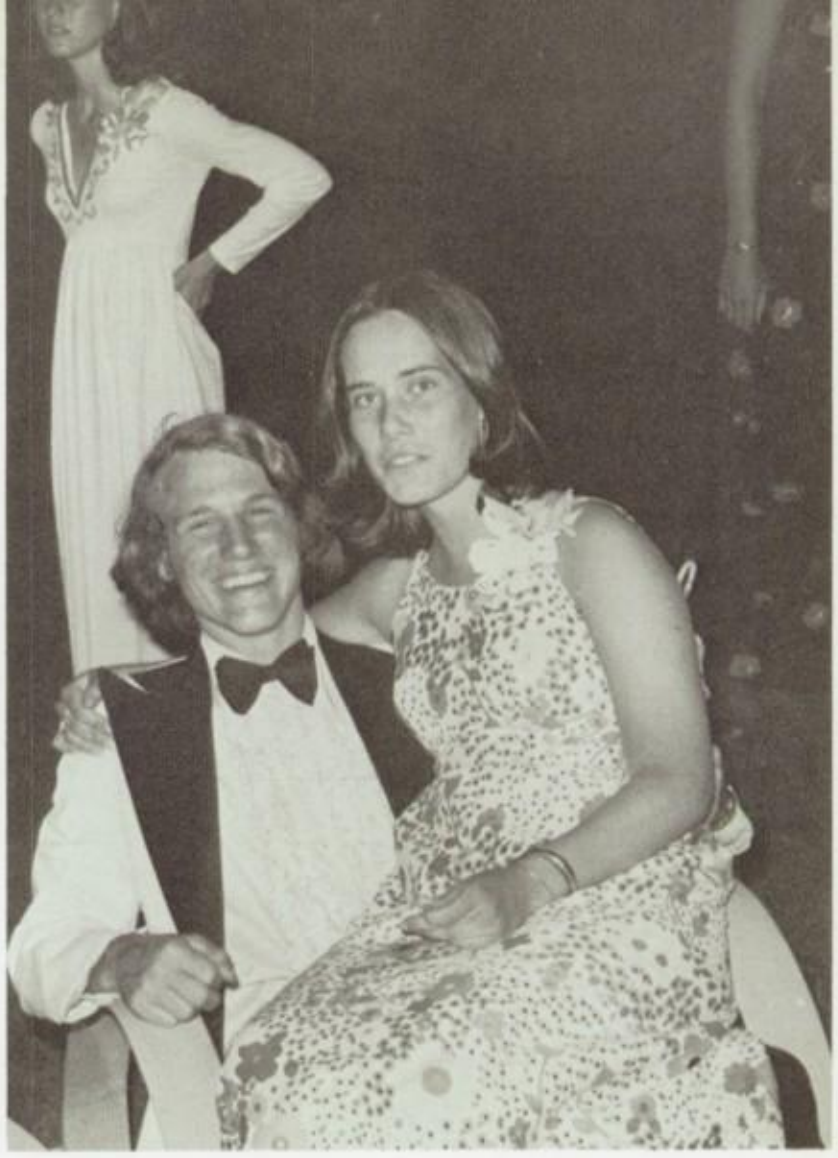
And so I appeal to a voice, to something shadowy,
a remote important region in all who talk:
though we could fool each other, we should consider —
lest the parade of our mutual life get lost in the dark.

For it is important that awake people be awake,
or a breaking line may discourage them back to sleep;
the signals we give — yes or no, or maybe —
should be clear: the darkness around us is deep.

William Stafford

After all the diddily little money-making projects, the big night finally came, filled with hassles. Who can ever forget the mix and match game? . . . alot of suffering passengers on the bus ride out . . . where's johnny on the spot? Finally we hit Mesker's and there was a mad dash off the cliff. After relief, there were numerous trips to the infamous shed and into the woods . . . Norfolk and Western were taking care of business while Bernice was taking care of those who needed it. There were a few close calls by the poolside but everybody somehow managed to survive and make it back up the cliff to the buses . . . a few tired people and swerving cars across the golf course . . . Roadapples and doughnuts at Von Kaenel's . . . from there, people swam to the Chase or went home . . . awkward moments at the door but everyone was happy anyway.





christmas pagea nt

There were more students involved in this year's Christmas Pageant than ever before. The traditional tableau was designed by sophomores Ann Danforth and Kris Heitman. Mary and Joseph were portrayed by Kathy Rainey and Bill Knight, respectively. The onlookers were Mimi Minkoff, Mark McCallum, Cris Tayor, and John Ross. The Biblical passages were read by Becky Stith and Terry Rassieur. Mary's Lullabye was sung by Helen Graham. Amy Keller, Ann Wiegand, Helen Gordon, and Lauren Woods did other solos. A special thanks goes to Dr. Perkins, Miss Collins, Mr. Mayhew, Mr. Acker and Mr. Blossom.

"a" hockey

This years "A" hockey team may not have had the impressive record that past teams have had, but it was one of the most spirited and enthusiastic teams Burroughs has ever seen. Hockey clinics in August, as well as two weeks of grueling tryouts, made the competion intense.

The result was a well rounded group of fifteen girls ranging in age from the lone freshman, Patty Donovan, to seniors Bebee, Brown, Clarkson, Dassler, Keller, and Renshaw. Playing their two toughest competators, Villa and St. Joe for the seasons opening games, resulted in two close defeats. The only other loss for the Bomberettes was against Nerinx, and like the other two defeats, was lost by one point. Aside from a frustrating tie with Clayton, the remainder of the season was victorious for Mrs. Keefer and her Bomberettes. The final two games of the season were won by a stupendous senior team, comprised solely of seniors from the A and B varsities.

The old saying, "It's not whether you win or loose, it's how you play the game." may be trite, but it capsulates the philosophy of Mrs. Keefer and her varsity players. The spirit and sportsmanship displayed by every member of the team during both losses and victories, distinquished it from all others. Mrs. Keefer should be congradulated not only for a victorious season, but for instilling this attitude in her players.

The team would like to thank Mrs. Keefer and two of the best varsity hockey managers, (cheerleaders and artists) that have come along in a long while, Jane Maune and Kathy Paletta.

"b" hockey

The 1974 "B" Hockey team compiled an impressive 8-4-1 record while outscoring their opponets by a margin of 20 goals to seven. Although Lindsey Gaebe was top scorer of the season. Kris Samuels, a rising young freshman star, won herself a dinner from the coach, for her topnotch acheivements in scoring. This year's "B" team had only three returning veterans, yet we quickly overcame any inexperience or hesitation, through the superb coaching efforts of Beth Williams also, a newcomer to Burroughs this year, and through the entire team's efforts to get along together and win. Our general good sportswoman's attitude holds even through Halloween, right Beth? All in all, it was a great year and we had alot of fun. Even with the loss of many seniors, next year's "B" team should really come along and make a winning season, due to their talent and compatibility.

The J.V. hockey varsity this year had an excellent team and illustrated great team effort. The team had fantastic assets; themselves and their coach, Sue Lowell. Special thanks goes to the managers; Julie Sobo and Hope Gladney, and to the coach, Sue Lowell.

Eureka 7 JBS 3

The Bombers practiced four hard weeks prior to their first game. Due to a bit of over confidence and "first game jitters" the bombers lost to a fired-up Eureka team. The only Bomber scoring came from a Bearman field goal.

JBS I Clayton 6

The Bombers went into the Clayton game sky high and ready to win. They proved it by coming right back after an early Clayton touchdown. Trulaske was the hero of the day gaining over 220 yards. To add insult to injury the defense sacked a Clayton tailback in the endzone for 2 points. Levis 6, Gerfen 6, Schnuck 2, Bearman 4.

JBS 16 Lutheran North 8

The fired up Bombers travelled to North to play one of the stronger teams in the league. Halfway through the first quarter the game turned into a swimming meet as the heavens dumped four inches of water onto the field. The outstanding play of Peter Miller gave the Bombers two exciting touchdowns. Miller 12, Bearman 4.

Principia 10 JBS 0

The luck of team coordination and a lot of overconfidance hurt the Bombers tremendously. The Bombers were simply out played by Prin.

JBS 19 Jennings 0

The Bombers came to life against a team that outweighed them by 349 lbs. per player. The defense had a field day led by Mark Austin, Dave Stradal, and Steve Adams in which they ate up the Jennings running backs. Steve Stradal's superb punting held Jennings deep in their own territory throughout most of the game. Trulaske 12, Hobler 6, Bearman.

JBS 22 Pembroke 0

In a true team victory the Bombers definitely outclassed Pembroke. The defense was outstanding as they recorded their second shutout. The Burroughs offense sparkled as they moved the ball against the Raider defense. Trulaske 6, Miller 6, Levis 6, Bearman 4.

JBS 26 Lutheran South 6

The Bombers worked hard all week during practice and they were rewarded with an ovrwhelming victory. The highlight of the game was Earl Gerfen's 60 yard punt return. Gerfen 6, Trulaske 6, Marsh 6, Miller 6, Bearman 2.

JBS 13 Priory 3

A powerful JBS running attack led by Mike Banton and Jim Beisman was all that was needed offensively to beat Priory. Defensively.

Country Day 20 JBS 0

A fired up JBS team travelled to CDS to play the Rams in a game that would decide the league champion. A strong CDS team burned the Bombers and beat them 20-0.

The JBS defense played a significant part in many of the victories. They recorded 2 shutouts along with 11 straight quarters of scoreless football. Thanks is extended to all the cheerleaders, and all those people who worked so hard during Spirit Week. Congratulations to All Leaguers: Peter Miller, Elkin Kistner, Mark Austin, Peter Hamilton, and Shep Parke. Honorable Mention, Rick Burslem, Steve Stradal, Steve Trulaske, Jim Burst, Bill Knight, Ted Levis, Jim Beisman, Lee Bearman, Earl Gerfen and David Boles. Special congratulations to Peter Miller who made first team All District.

ROW 1: Altvater, J. Meyer, Rowland, Dee, Hecker, Hibbard. **ROW 2:** Schmid, Costen, Schweig, D. Meyer, Medart. **ROW 3:** J. Martin, Strassner, Keith, Boyd, Holmes, Mr. Stevens, Lemp, **ROW 4:** Krause, Lee, Reitz, Hershey, Holekamp, **ROW 5:** Gutman, Stromsdorfer, Austin, R. Martin, J. Martin.

Under the able guidance of coaches Stevens, Moore, and Heath the "B" football team went undefeated 7-0-0 in 1974.

This season opened with a 22-0 victory over Prin, followed by a win over archrival Country Day, 10-8. The victory over C.D.S. was highlighted by senior Bill Lemp's 44 yard touchdown run.

The league schedule opened with Priory bussing to Leland Field. After a scoreless first half, the offense came out fired up and moved the ball well. Finally in the fourth quarter, the Bulldogs broke through for the game's only score on a 10 yard drive by Paul Reitz. The game ended 6-0, in favor of the Bulldogs.

Following the Priory contest came three road games at Lutheran South, Lutheran North, and Principia. At South, the Steakhouse Gang had a field day, winning 30-0. Highlights included Steve Schmid's 85 yard T.D. scamper and a 40 yard pass from Randy Martin to Steve Keith. At Lutheran North, the defense allowed its first touchdown in two games, but it made no difference as the offense had one of its best days. Two Martin passes (to Paul Hibbard and Steve Keith) and a 50 yard run by Schmid accounted for the 20-6 victory.

At Prin, the Bulldogs came close to blowing their undefeated season and possibly the league championship. Prin came out high as a kite and scored twice in the first half for a 13-0 lead. However the second half belonged to the Steakhouse Gang. The defense, led by John Martin and Ted Holmes, held Principia the rest of the way. The offense rallied to score twice after two long drives. The first T.D. was scored by Paul Reitz on a one yard plunge and the extra point attempt was no good. The second T.D. was scored on a 10 yard sprint by Schmid. This time the 2 point conversion was good and the "B" team won the game 14-13.

In the final game with Country Day, the Steakhouse Gang put points on the board in three of the four quarters and went on to win 20-8. Schmid scored on runs of 20 and 55 yards with the remaining T.D. coming on a 50 yard pass from Martin to Holmes.

"c" football

This years "C" team kept the Eagle's tradition alive by having an undefeated season with a record of 5-0-2. The "C" team would like to extend special thanks to the coaching of Stanley Gardner and Steve Dassler. The persistent offense racked 104 points over the season while the stubborn defense allowed only 3.4 points a game.

The team would also like to thank the cheerleaders for giving them support during the games.

"Cross country is a type of long-distance racing in track and field sports. Runners usually race across fields, through woods, and over hills. Because distances and terrains differ for each race, no national or world records exist for this event. In the United States, the National Federation of High School Athletic Associations has set a minimum distance of 1 1/2 miles and a maximum of 3 miles for races. girls soccer

The 1974-75 athletic season saw the emergence of two girl soccer teams with the sigh of "At last". Last year Burroughs played over ten games using a rotating team of forty to fifty players. This year with two set teams and excellent coaching by Beth Williams the girls exhibited greater organization and unity. In thirteen different competitions the girls showed their prowess on the field by losing only one game to the Ladue team but were compensated in a 9 — 0 victory over Villa. For the girsl it was a fun season and perhaps with more practice as a team next year the Burroughs' girls' soccer team will be undefeated.

The "A" soccer team showed all sceptics this year as they were truly composed of young men unequal in raw talent and moral integrity. Leading the scoring for the Bombers was Michael Siebold, our unassuming foreign exchange student. The front line worked together extremely well throughout the year. Standouts were Steve Lewis, Earl Gerfen, and Peter Hobler. Defensively, the Bombers were led by Jim Beisman, Chris Tichenor, Dave Stradal and Billy Lemp. Able goal tending was contributed by Steve Adams, with support from Mark Shanfeld. Although the "A" soccer team did not finish first, Coach Ray Beckman was eulogizing his young — charges for their unending and unsurpassed efforts. Many thanks and tributes are due to this remarkable man.

The "B" soccer team finished its regular season with a 4 — 7 — 2 record, with three of those losses coming from out-of league teams. Leading scorers for the team were: Dave Jones (9), Jason Stromsdorfer (2), Jay Hershey (2), Dave Boles (1), and Jayes Haug (1). With the league tournament still ahead, the team looks forward to possibly ending the season at .500. A special thanks goes to Mr. Gardner for his fine coaching job, and making this season as fun as possible.

"C" soccer

"This year's "C" soccer team is unbelievable, " remarked coach Gramse after the "C" team devoured Lutheran North 7 — 0 in the season opener, which incidently set a "C" team record for the most goals in a game.

Backed by a solid defense the team was able to compete avidly against powerful out-of league teams such as Oakville. During the league competition the forwards sparked the second halves with spectacular goal scoring finales to carry the Eagles to a 5 — 2 — 2 record. Though in one tie and one loss an aged chap was unfortunately bestowed upon us as ref. This fella pondered calls for hours and delivered decisions in hand and smoke signals.

The "C" team salutes Art Gramse for his dedication as coach, his preeminent pregame lectures, his famous uppers (mints) and his ability to put up with our team and certain referees.

The "A" girls basketball team was exceptionally small this year. Returning veterans were: Giddy McMahon, Wendella Burrows, Big Cher, and Jane Stalk Krause. Other members were, former "B" or "JV" teamers, Nancy Knee Luehrman, Jefiner Schoenberg, Gail Kips and if needed Klutz Clarkson. A lot of injuries during the season limited the playable members to 5, 6 or 7, for each game. One exciting game, due to wounds and foul-outs, the amazing A-ers played with only 4 people. Of course they won. But they did not win all of their games

because of the stiff competition with many of the teams. For example, there was one game against Viz (the 1st game of the season) when the girls lost track of the score after the opposing team passed 60. But the next time they played Viz, they performed quite well and lost only by 15 pts. However the season was not a total failure, but actually a success, because of the great progress made throughout the season. Next Year, all members except for one, will return to display the talents that they learned from this season. A special thanx goes to Skippy for her patience and great coaching!

"b" girl's basketball

The 1974 — 75 girls "B" basketball team had a better than usual season, considering the past few girls' "B" basketball teams. The girls compiled a league record of 4 — 3 — 0 and a season record of 6 — 10 — 0. Although the team didn't start off by winning, everyone soon settled into the routine and began to. play more efficiently. Ginny Clarkson was the captain of the team. Sallie Samuels, Linda Holekamp, Janet Miller, Karen Koman, Lexie Haglin, Anne Green, Patty Donovan, and Anne Knight all worked exceptionally well on and off the court. The "B" team would like to thank Sue Lowell and Mrs. Keefer for their time and patience, and for making this group a team!

The 1974 JV basketball team, had a slow start, but after they got their momentum, they were fantastic. Their first victory was against West Ladue, which gave them the confidence to beat St. Mary's, by an unbelievable score of 43 — 6. They vanquished Villa in a close game with a score of 23 — 27. Their last win came with their last game, against Mary I. They had lost a close game with their Warson Rd. rivals previously, but they came back strong to beat them in a close match of 26 — 18. The season was very successful for the girls, as far as winning, and learning goes.

Their thanks go to Sue, their great coach who said that they would always win, and Ann their manager who always gave them the energy to play well. They appreciate Mr. O'-Keefes' and Mr. Yagers' wholehearted efforts towards half-time entertainment. They really weren't **that** bad at shooting!

senior girls basketball

The senior girls basketball team was a new addition to the girls sports picture of 1974 — '75. The team consisted of talented but not overly experienced ball players. The schedule of games grew from 3 to 7 as the season progressed and the enthusiasm for the sport increased. The team's record ended up an even 3 — 3 — 1, the tie came in a hard fought battle with the senior boys. All of the games were exciting or at least fun to watch as the team came up with flashes of brilliance followed closely by moments of complete spasticity. High scorer Paletta and loyal manager "Wiegers" Wiegand provided the impetus for he rest of the regulars: "Fouling" Boles, "pass it to" Loeb, "moves"Maune, "Pro" Molden, "Powder Puff" Perry, "Ouch" Stith, with the help of part timers: Julie Bebee, Ann Gamble, Sara Hibbard, Amy Keller, Dana Welsh, and John Cissel.

With three games remaining, and a record of 7 — 12, the '74 — '75 "A" basketball season could only be termed a disappointment. The talent was there, with five returning lettermen and five "B" team transfers, the enthusiasm was definitely there, and many of the opponents could hardly be called blockbusters. Perhaps the players heard that Burroughs basketball was horrible so many times that they began to believe it, themselves. They simply didn't know how to win.

The first seven for the season were Rubble Luehrman, Hammer, Bill Helmich, Ted Levis, Squeeky Pittman, Dank, and Greis. Ther best performances were: 18 for Rubble, in the South and North games, 18 for Hellmich against South, 20 for Pitt against Priory, 15 for Head Honcho at St. John's, 14 for Levis at North, 14 for Greis at Prep South, and a measly 23 for Dank, with the cooperation of No. Co. Tech. At this writing the season isn't over, with games remaining against South, Priory, C.D.O., and the first round of the regional, so the Bombers could still finish strong.

"b" basketball

The 1974-75 John Burroughs "B" basetball team, in the capable hands of second year coach Dick Heath, produced an average season.

The Bulldogs started out the season on the right track, winning three out of their first five games. Veterans Todd Schnuck, Tom Rosenfeld, Jim Darnton, and Andy Marsh were all very excited about these three victories, because they equled last year's winning record of three. Despite this encouraging start, the Bulldogs won only one out of their next six games, four of which counted in league standings. But the team was soon back on the right track winning four of their six next games, including two exciting one point victories over North and Prin. With four games remaining, the "B" teamers hope to bring their record over the 500 mark for the first time since the '60's.

This years starting seven for the Bulldogs usually consisted of Schnuck, Marsh, Rosenfeld, Boyd, Krause, Strassner and eager young freshman Fatso Grady. The offense was usually led by Rosenfeld, Grady and Marsh, all averaging between seven and ten points a game.

This year's "C" basketball team while not big in quantity made it up with quality. Under the coaching of B.P. Westling the team was guided to the best winning season in the last decade. The starting five; Hatfield, Saddler, Horwitz, Mitchell, and Schmid guided the team with able assistance from the bench to their winning season. There were no individual players on the team. Every game was a team effort as proved by winning more than 10 of their 15 games. With all of these wins under their belts the team can look forward to bright seasons on the "B" and "A" teams.

Fortunately, winning wasn't everything to the Girls Volleyball Team last season. The "A" team won 4 out of 10 games and the "B" team won 1 game out of 9 from their tough competition. But these records do not tell the whole story. Most of the contests were close and exciting with a lot of good team work. The teams coached by Mrs. Pliakos consisted of mainly juniors and seniors. The players gained much experience and will hopefully be able to put it all together for the coming season.

1974 has to be considered a successful year for the golf team. With only three seniors on the team, it was thought by many that 1974 would be a year of rebuilding. But the golfers came up with a surprising 7-2 league record to finish second in the league. Both of the losses came against a powerful Country Day squad.

Led by Seniors Andy Baker and Corky Hangar, along with sophomore Ted (Head UP-em) Levis, and freshman Bill Essman, the golfers marched into the district. Despite the Up-em's 78 placing ninth in the district, the team did not do well enough to go to state, as they had the year before.

On the season Corky Hangar and the Head Up-em made all league, as the golfers finished with a 12-4 record overall, and high hopes for the next season.

girl's track

FIRST ROW: Whalen, Fitzgerald, N. Perry, K. Walters, Rainey, Morrissey, L. Woods. **SECOND ROW:** Dassler, Clarkson, Sharp.

The 1974 Girls' Track Team marked a tremendous expansion of girls' track at Burroughs. Through the efforts of each and every girl, the team managed to place first in the girls' Regional track meet.

The season commenced with the Sumner Invitational, the Soldan Invitational, and the Parkway Invitational meets. In these, the girls competed individually for medals. For additional experience, Burroughs participated in two four-way meets. The points from each place went towards a team total for each school. Competitors included Parkway North, Lutheran South, Ladue, St. Mary's, and St. Elizabeth's. The girls also ran in a dual meet with Ursiline.

The real culmination of team effort occurred when JBS placed first in the Regionals. This year was the first time the St. Louis area was included in the Regionals. Ours was one of the twelve districts in Missouri, and the only district in St. Louis. Eleven schools entered and our girls placed first with 37 points. Northwest was second with 36 points, and Sumner was third with 35 points. The 880 relay team of Clarkson, Morrisey, Rainey, and Sharp, placed second, and the 440 relay team of Carp, Morrisey, Sharp, and Walters, placed fifth. Big Cher placed fifth in the shot put. In the hurdles competition Perry was fourth, and Dassler placed third. Carp was second in the softball throw. Dassler placed second in the 440 yd. run. There were three first places gotten by two Bomberettes. Krause placed first in the high jump, and Lauren Woods was first in both the 880 yd. run and the mile run. These accomplishments exemplify the total team effort, as each girl placed or got a point.

When one considers the talent coming up from the lower school and that of the present, it is apparent that we can look forward to another successful season.

Everyone thanks Coach Keefer for the direction and inspiration she gave to the team! Here's hoping that we make it to the 1975 Girls' State Track Meet in Columbia.

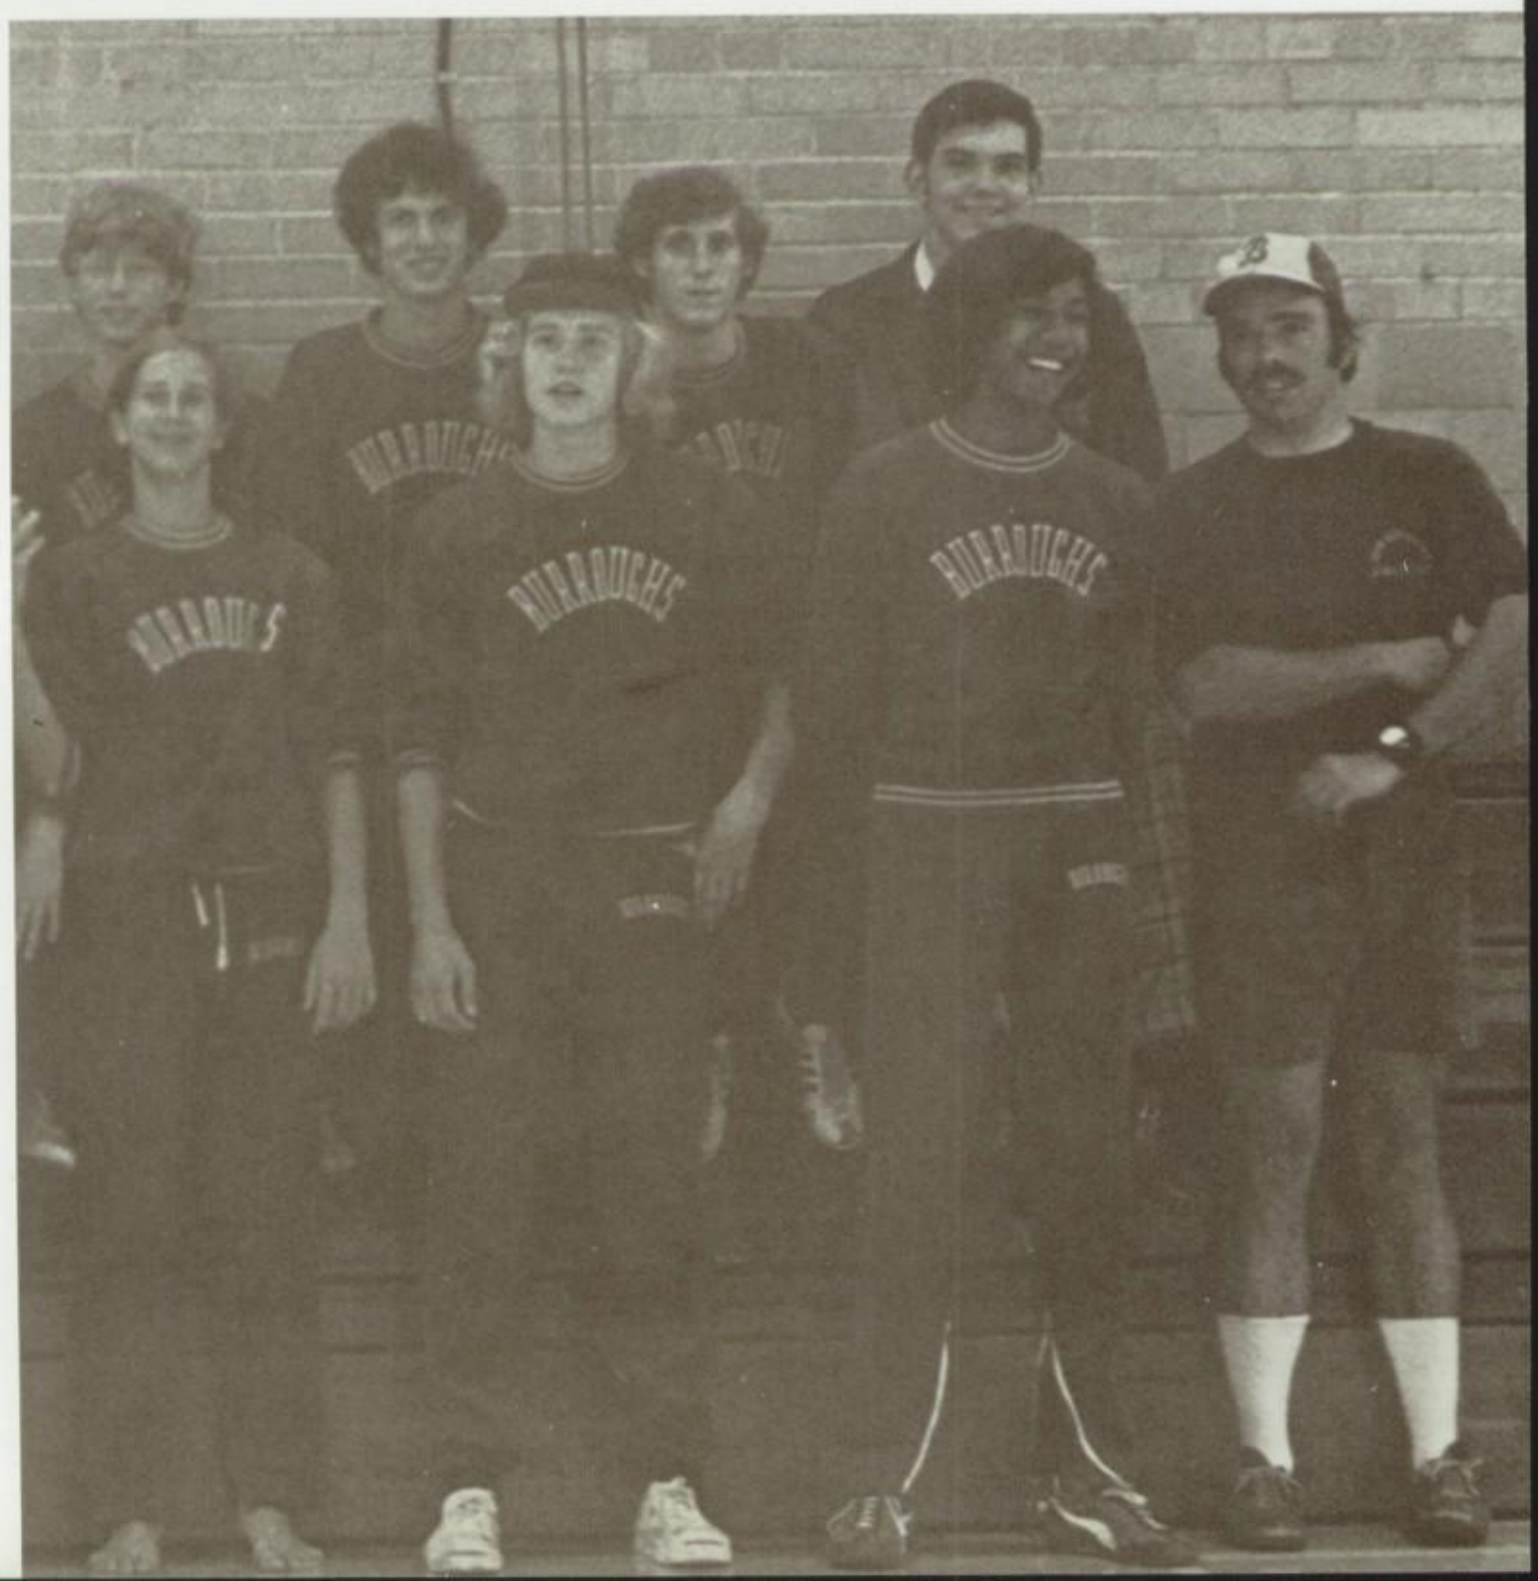
The 1974 thin clads were led to a great season by Coach O'Keefe, Carinci, and Moore. Proof of their excellence is shown by their second place in the ABC medals meet, first place in District, and ninth in State. With such a star-studded team which included Miller, Wykes, Trulaske, Schnuck, Martin, McGinley, Parke, Gerfen, Banton, Geissal, and Hamilton, this team could be considered a powerhouse. Since many veterans are returning again next year, JBS can look forward to another outstanding season.



softball varsity 0-12

The 1974 Softball Varsity was a prime example of the old, but true saying that "winning isn't everything". Clad in yellow alligator shirts, the "Gators" bravely opposed some teams better suited for the Major Leagues. Their opponents started out with a bang. In the first five games, the Gators scored 39 runs, but this couldn't quite match the 116 runs scored by their opposition. Towards the end of the season the Gators played with a tighter defense, but they couldn't quite put it together to win one.

Still, statistics don't tell the whole story. Although Coach Vean's Gators were out hit, outscored, outhustled, and most of all, outpitched, they played with a superior sportswoman's attitude. It's hard to concentrate on a game when others have started a touch football on the sidelines. Imagine trying to smile, when opposing players say "this is our first win of the season, do we get to play you again?" Most important, the team never resorted to badgering or name-calling as did some of their other more "worthy" opponents. Everyone enjoyed themselves and despite a losing season statistically, the Gators learned that the real winner is the good loser.

The Gators would like to thank Coach Vean for the inspiration and the joking that kept their spirits high during the season.

The 1974 A baseball team surprised a lot of people including themselves by sweeping into the state semifinals.

The Bombers started strongly by taking a second place trophy in the ABC league tournament. However the Bombers were erratic throughout regular season play and ended with a 10-11 record. Then Burroughs came to life in the district playoffs. Following a win over Ellsburg 4-2, J.B.S. upset ranked Prin., 2-1 and went on to demolish Winfield 4-2 to become district champions.

By winning the district tournament the Bombers earned the priviledge of bussing to the thriving midwestern metropolis of Crocker, Missouri to play in the regional tournament. Despite a misplaced Pringles can, the Bombers thoroughly outclassed their opponents, beating Crocker 7-1 and Borgia 3-1.

The next week in the Nixa game in Poplar Bluff Missouri the Bombers were beaten by a good team 6-3. Still the A ballers had become the first team from Burroughs, in any sport, to reach the state semi-finals in a long while.

Led by all league standouts Bill Seddon, Rick Burslem, Chris Griesedieck, and Chip Krause, the 1974 A Baseball team was the J.B.S. sports team of the year.

"b" baseball

The 1974 B baseball team came up with something almost unheard of in previous years: a winning record. A mixture of strong left handed pitching and right handed hitting led the Bulldogs to a 8-6 overall record, and a somewhat impressive 6-4 league record.

The pitching staff was comprised of Jim Forsyth and Bill Helmich. Both turned in many fine performances, but Forsyth's 2-0 no-hit win over Codasco was the highlight. The hitting chores were taken over, to a great extent, by Tom Pittman and Steve Duncker, with Steve Lewis, Paul Griesedieck, and Jim Forsyth accounting for many timely hits. Credit must also be given to an infield of Holmes, Lewis, Duncker, Helmich, Forsyth, and Pittman, for providing a sometimes air-tight defense. Many thanks, for a fine coaching job, go to Dick Heath, without the Bigg Guy, the season would not have been nearly as successful or fun.

This years "C" team surpassed many past "C" teams by ending up with a winning season. Their only loses came to a much more experienced Lutheran South team. This "C" team should be remembered for the effort they put out. It has been a long time since a Burroughs baseball team has won and ended up with better than a 500 season. Thank you "C" team and Mr. Crabtree. (Grover)

"Tennis is an exciting game played with rackets and a ball on a large court. The players bat the ball back and forth over a net strung across the middle of the court. Each player tries to score points by hitting the ball so that his opponent cannot return it over the net and inside the court.

The official name of the game is **lawn tennis.** It usually is played outdoors, but may also be played indoors. Two or four persons can play a game of tennis. Two persons play a singles game. Four persons, two on each side, play a doubles game."

The stars of the team were: "Blazing" Baine, "Big- mouth" Beisman, "Bad cold" Bebee, "Bendy" Burrows, "Klutzy" Clarkson, "Goofy" Gaebe, "Sister Kate", Amy "Miller", "Ear" Loeb, MAC truck MAHON, "Mishap" Miller, "Wrongshot" Rubenstein, "Surefire" Samuels, "Lefty" Lexie, and "Greaser" Grant, Keron Walker, and "Lucky" Louisa.

With the guidance and help from the great coach, "Sweet Sue", the team was very successful. On behalf of the team, we would like to thank our marvelous coach, "Sweet Sue", for her patience and the time she spent with us. The season was very successful in spirit and in reality. In one of those stars I shall be living. In one of them I shall be laughing. And so it will be as if all of the stars were laughing, when you look at the stars . . . you, only you, will have stars that can laugh. And when your sorrow is comforted (time soothes all sorrows) you will be content that you have known me. You will always be my friend. You will want to laugh with me. And you will sometimes open your window, so for that pleasure . . . and your friends will be properly astonished to see you laughing as you look up at the sky. Then you will say to them: "Yes — the stars always make me laugh."

Take The Plunge

The fantastic flume ride is just part of the excitement at Busch Gardens. Enjoy wild animals and daring rides. Exotic birds in lush gardens. Good food and drink. And each Busch Gardens is unique:

Busch Gardens at Tampa

A total African experience with over 3000 exotic animals and birds, plus four themed entertainment areas.

Busch Gardens at Los Angeles

An intimate encounter with nature as well as good old-fashioned fun, rides and entertainment.

Busch Gardens at Williamsburg

"The Old Country" with the romance and excitement of England, France and Germany. Opens in Spring of 1975. See a free multimedia preview now at the Anheuser-Busch Hospitality Center in Williamsburg, Va.

Busch Gardens®

For free full-color brochures on all three Gardens, phone 577-2344.
